

Bob and Cala Williams

Missionaries to the Choctaws

Dear Prayer Warriors:

March 18, 2021

It is our joy to report to you that Micah Duckett got saved Sunday before last. He is the brother of Joni Carroll, the pastor's wife at the Idabel church. Please be praying that he will be able to get off work on Sundays and come to church. Also, please pray for his wife Ashley and their two sons as they are not saved. On the right is a photo of Bro. Joseph and Joni's children at the church Christmas service.

We have the Adams family from Arkansas coming to put a new roof on the Swink church next week. We would appreciate your prayers regarding their safety, and that they will do a good job. Also, please pray for the pastor's wife, Rachael Isclaw, as she is struggling with several health issues.

We missed our Christmas family gathering this year because we were sick with the corona virus. But we were able to make up for it this month when our grandson, his wife and new baby came for a visit. Welcome baby Leo James Williams. "He is beautiful and precious," says Mamaw. God bless this family who are faithfully serving the Lord.

Folks, thank you so much for your prayers and faithfulness to our ministry.

Your Missionaries,

Bob and Cala Williams
