 Missionaries to the Choctaws

Dear Prayer Warriors:

July 18, 2022

We were unable to attend the National Fellowship meeting in Springfield, MO, in May to commemorate our 50 years of missionary service and be presented with a beautiful world globe. However, our sending pastor, Bro. Jason Gaddis, was kind enough to go by the mission office, pick it up and bring it to us. We had a lovely service with Bro. Gaddis preaching and Mrs. Gaddis giving a testimony. They were such a blessing and encouragement. You can view the services on YouTube. Type in Choctaw Baptist Church and click on the purple circle with a white C inside.

Bro Gaddis mentioned in his Sunday School lesson that missionaries are just ordinary people. It's true! We are all God's servants and He gives us the strength, grace and ability to do His will. So, He should get all the honor and glory.

The other photo is of Macie Standridge and her mother, Cecilia. Macie (9) was saved recently. She is the third generation of the Alderete family in our church. Her grandparents joined Choctaw Baptist Church shortly after we started the first church 26 years ago. Sadly, Macie's grandmother, Resa, is on hospice with advanced stage 4 cancer. Please pray for this precious and faithful family.
