 Missionaries to the Choctaws

Dear Prayer Warriors:

September 17, 2020

As we reported in our Choctaw Update last month, Choctaw Baptist Church at Swink, OK called Bro. Jason Isclaw as pastor. They moved into the parsonage last week. You may recall, several years ago, we bought the church building fully furnished and a parsonage for \$50,000. Our supporting churches helped us raise the money in 90 days. Praise the Lord! Bro. Jason asked us to stay and help them for a couple of years, which we plan to do.

He was led to the Lord in 2001 by Bro. David Smith, one of our supporting pastors, at Heritage Baptist Temple in Little Rock. His wife was also saved there. They were trained under Bro. Smith’s ministry. He pastored the church at Cove, AR and was there a few years. He has been leading singing and doing the children’s church in Alma, AR where they have been for the last several years.

Please pray: (1.) Rachel Isclaw has not been feeling well and was just diagnosed with overactive thyroid. (2.) The Covid virus is getting worse here in SE Oklahoma. (3.) Also, three of our Sunday School teachers at the Idabel church have cancer. We appreciate so much your prayers and support.

Your Missionaries,

Bob and Cala Williams
