Missionaries to the Choctaws

Dear Prayer Warriors:

7-13-2018

In our prayer meeting Wednesday night, six year old Keethan Carroll raised his hand and said, "I got saved." His dad, our pastoral trainee Joseph Carroll, led him to the Lord. Keethan is the oldest of the Carroll kids and is pictured at right with his sister, Kailiegh.

<https://youtu.be/pvGFnmy4Y0Q> Some of our ladies have a singing group called the "Saturday Sisters". Click on the link above (hold the control button down and click) to hear them sing in Choctaw. Bro. Joseph asked a couple of the older faithful ladies to teach the younger women and teenage girls on Saturdays. That's how they got their name "Saturday Sisters". The ladies are really enjoying these classes and we can tell they are growing in the Lord.

**Prayer Requests:**

1. Pray for Charles Lawson's salvation. Bro. Joseph and I witnessed to him before he had heart surgery, but he wasn't ready. He had complications with his surgery and is in very serious condition, but is still resistant.
2. Linda Brown, a long time church member, is facing heart surgery on Monday. The surgeon warned her there may be complications.
3. Eddie Horton at Swink is facing serious surgery on July 23<sup>rd</sup>. Pray for God's provision.

Thank you so much for your faithful prayers and support for our ministry. We count it a real honor to be a part of your missionary family.

Your Missionaries,

Bob and Cala Williams
