Missionaries to the Choctaws

May 18, 2020

Dear Prayer Warriors:

It is our joy to report that ten precious souls have been saved so far this year. Please continue to pray for your missionaries. The corona virus is affecting all of us, especially the deputation missionaries.

Here are some special prayer requests:

1. Please pray for Cala as she is very susceptible to infections because of her health. Also, she is scheduled for several tests and scopes (moved from April to May/June). A PET scan showed a mass in her digestive system.
2. Eddie Horton (Swink) just had a third surgery on his foot.
3. We still need pastors for the ministries at Swink, OK and Escrito, NM.
4. Our 14 year-old great-grandson, Tyler Jones, was hit by a car yesterday. He has a broken knee-cap and the tip of his femur was broken off, besides lots of scrapes and bruises.
5. Pray for the believers on the Navajo reservation in New Mexico, especially those in the two churches we started. That area is hard hit with the Corona virus.

Here are some praises also:

1. Bro. Joseph Carroll baptized his three oldest children last Sunday.
2. As far as we know, no one in any of the churches that we minister to has the Corona virus.

Let's continue to pray for people to turn to God in these troubled times, and may He use each of us to spread the Gospel.

Your Missionaries,
