Missionaries to the Choctaws

Dear Prayer Warriors:

11-16-2017

It is our joy to report that ten precious souls have accepted Christ so far this year. The photo at right is of some of the men praying during the revival at the Idabel church. They had several at the altar every night. We have numerous families struggling with health issues. Please pray for Bro. Kenneth Nagel who lives next door to the church and is a faithful member; he has advanced cancer.

The mission at Bethel, OK is really struggling and their attendance is down to a handful. The mission at Swink, OK still needs some more faithful families. The mission at Escrito, NM is experiencing some growth, but they need to start supporting themselves and become indigenous. The church at Waterflow, NM: Please pray for Esther Howard, her breast cancer has returned, and also Orlando Howard is very ill. They are the mother and brother of the Navajo pastor's wife.

Please continue to pray for Cala's health and my health. Thank you so much for your faithfulness to our ministry.

Your Missionaries,

Bob and Cala Williams
