 Missionaries to the Choctaws

Dear Prayer Warriors:

January 18, 2022

January 26th we celebrate our 60th wedding anniversary. The Lord has blessed us tremendously with a wonderful family and with the privilege of serving Him as missionaries for 50 years in May.

Praise and prayer requests:

1. Update on pastor Joseph and Joni Carroll’s baby: her liver enzymes were very high, close to liver failure. The doctors ran many tests, in the meantime she began to improve. They decided she probably had Mono. We know it was because of your prayers and the grace of God that she is well now.

2. Thank you everyone that helped purchase the shingles for the roof at the Swink work. All of the material is now on the ground at the church (picture at right). Please pray that God will lead someone to come and install it.

3. We need to put a different heat and air system in the parsonage at Swink as Pastor Jason’s wife has a lot of allergies, and the window units are drawing in a lot of pollen and pollution. We now have an estimate on the total cost: \$6900.00, but \$1650.00 has come in so far. Thank you to those of you who already sent funds in for this project.

Folks, thank you again for your prayers and faithfulness to our ministry.

Your Missionaries,

Bob and Cala Williams
