

Bob and Cala Williams

Missionaries to the Choctaws

Dear Prayer Warriors:

3-15-2018

It is our joy to report that Choctaw Baptist Church in Idabel, OK, had 12 visitors for Family and Friend Day. As mentioned in our last Choctaw update, Cala and I are now ministering at the Swink mission on Sundays. Please be much in prayer that God will provide the right man to take this ministry. Until he does, I will be preaching there on Sundays and at the Idabel church on Wednesday nights. I just talked to Bro. Curtis Harvey, the Navajo pastor of the first church we started in Waterflow, NM. They had one soul saved and another one that he will be dealing with next week about receiving Christ. Praise the Lord!

You may recall that I mentioned Mrs. Nora a few times. She accepted Christ a number of years ago, sold the bar she owned and God completely turned her life around. Please be praying for her family (12 children and lots of grandchildren and great grands) as God called her home last month at the age of 89. She was probably the most faithful member at the Idabel church, and was dearly loved by all of us.

I saw the surgeon who did my back surgery three years ago. There's a slight fracture in one of my lower vertebrae. He suggested a couple of things I can do to help it heal and thus avoid having any more surgery. Please pray for me that this will work. Also please continue to pray for Cala's health.

We count it a real honor and privilege to be a part of your missionary outreach.

Your Missionaries,

Bob and Cala Williams
