Missionaries to the Choctaws

Dear Prayer Warriors:

It is our joy to report that nine precious souls have been saved so far this year. The corona virus is probably affecting all of us (pastors, church members and missionaries) in some way. We appreciate your prayers and want you to know that we are praying for you also.

Here are some special prayer requests:

1. Please pray for Cala as she is very susceptible to infections because of her health. Also, she is scheduled for several tests and scopes in April. A PET scan showed a mass in her digestive system.
2. Eddie Horton (Swink)—He had two surgeries on his foot, but he's going to need one more.
3. We still need pastors for the ministries at Swink, OK and Escrito, NM.

Here are some praises also:

1. Our granddaughter in Georgia, Katie Williams, got baptized a couple of weeks ago.
2. Our grandson, Josh Williams, built us each a new computer with Windows 10.
3. As far as we know, no one in any of the churches that we minister to has the Corona virus.
4. A special thank you to Cornerstone Baptist Church, in Moore, OK for sending in \$300.00 toward the heating unit at the Waterflow, NM church.

Let's pray for people to turn to God in these troubled times, and may He use each of us to spread the Gospel.

Your Missionaries,

Bob and Cala Williams
