Missionaries to the Choctaws

January 15, 2020

Dear Prayer Warriors:

Praise the Lord the attendance has picked up at Swink, OK. Three of the men were able to repair one of the front porches (the front part was sinking), and one of our supporting churches will be coming to reroof the auditorium. We just need a pastor to move into the parsonage there and work with us.

Pray for the mission at Bethel, OK. It is temporarily closed due to the Choctaw pastor's health. Bro. Ed Loma's rheumatoid arthritis has flared up, and he is really suffering. Besides that, the wind blew the pump house over, and they don't have access to water. The Navajo church at Waterflow, New Mexico is in need of a new heating unit. The old one was installed back in 1985. Thank you

folks so much for the cards and special offerings you sent us for Christmas. Also, please continue to pray for our health. God bless you for your faithfulness to our ministry over the years.

**Psalm 92:13-15 (KJV)**

**Those that be planted in the house of the LORD shall flourish in the courts of our God.**

**They shall still bring forth fruit in old age; they shall be fat and flourishing;**

**To shew that the LORD is upright: he is my rock, and there is no unrighteousness in him.**

Your Missionaries,
