Missionaries to the Choctaws

Dear Prayer Warriors:

9-4-2017

It is our joy to report that eight precious souls have accepted Christ so far this year. The cute little kids on the right are two of Bro. Joseph and Joni Carroll's children. They sang a special in the Idabel church last week. Little Keethan (five years old) is their oldest son. As soon as Bro. Joseph and his wife surrendered their lives to full time service (he's our pastoral trainee), it was discovered that Keethan has childhood diabetes and has to take shots. His little sister, Kailiegh (three years old), is also having some health issues. Please remember the Carroll family in your prayers as they continue to faithfully serve the Lord. If you have internet service you can click on the link below and watch a video of the children singing.

Please continue to pray for Cala's health and my health and our ministry. We are still involved with five of the churches we have started over the years.

Thank you so much for your faithfulness to our ministry. We are doing our very to see that your seed sown is multiplied. 2 Corinthians 9:10.

Your Missionaries,

Bob and Cala Williams
